

# E-Collar Course

April 9 – 11, 2018

**The e-collar is a very effective tool for training, but it is also the most misused piece of K9 training equipment.**

**We have scheduled three full days of e-collar training. If you use it, you should be trained with it. Don't miss out on this training opportunity**

**Limited to 11 teams so register**

**Cost is \$265.00 per team  
By check and \$279.00 by  
credit card.**

You may register online at [www.topdog97.com](http://www.topdog97.com). Go to the scheduled courses page and fill in the information.

We recommend the Double Tree for hotel accommodations.

**The course will enhance your handler skills with the e-collar. The training will provide you with a full understanding of the e-collar and will truly help define your K9's overall performance.**

**The training will be something each team can take away and add to their training programs.**

**Class Starts at 0800 on  
April 9, 2018**
