

5 Day Tracking Course April 29 – May 3, 2019

This course will consist of classroom and hands on work in the field. We will start from basic and work to a level of intermediate tracking.

The tools learned may be applied to your regular training and continued success in tracking.

We work from soft to hard surfaces.

Handlers will receive training in scent work, line handling, and legal update regarding tracking.

Certificates will be handed out at the end of the course.

Join us in Modesto for this course.

The hotel recommended is the Double Tree in downtown Modesto. The government rate is best and they are a dog friendly hotel.

There is a \$25 cancellation fee for any cancelled registration after April 1, 2019.
