

E-Collar Course July 24 - 26, 2018

The e-collar is a very effective tool for training, but it's also the most misused piece of K9 training equipment.

We have scheduled three full days of e-collar training. If you use it, you should be trained with it. Don't miss out on this training opportunity!

Limited to 11 teams so register early.

Cost is \$265.00 per team by check or \$279.00 by credit card.

This course will enhance your handler skills with the e-collar. The training will provide you with a full understanding of the e-collar and will truly help define your K9's overall performance.

The training will be something each team can take away and add to their training programs.

**Class begins at 0800 on Tuesday, July 24th at our training facility
526 10th Street
Modesto, CA**
